Fantastic Fiddler

Featured The Finest

Sensational is the word which describes *Fiddler on the Roof*. Directed by Mr. Doherty and student directed by Gina Owano, the play had excellent acting, superb singing, and lifelike scenery. Better actors could not have been chosen to fulfill the parts. Everyone did a fantastic job, and they deserve a big hand.

A Striking Season

As stated by Coach Lindley, "Hard work paid off for us as we completed the year with the best baseball record in the school's history." The impressive record of the superb year was 16-8. The many accomplishments of the varsity baseball team proved that they wouldn't settle for second best. The team achieved a first place rating in conference and regionals. Also, they were declared as the D.P.V.L. champions and I.H.S.A. regional champions. Contributing greatly to the successful season were John Pravdica and Rick Delgrosso. Both team members were named Most Improved Players. John earned the honor for his excellence in all phases of the game while Rick showed a tremendous improvement in his pitching skills.

Improvement Plays A Factor

Improvement was the biggest factor of the '79 Sophomore baseball season. Constant hard work from all the team members helped them to come from behind in a game against Willowbrook, to play super against West Leyden and to finish with a record of 12-7. "Their team spirit was super!" said Coach Eiselstein who was head coach of the team.

Al Deasy was voted most improved. "Al improved immensely as a catcher" said Coach Eiselstein. Outstanding pitching and hitting by Don Thompson earned him the title of Most Valuable Player. The team shows great promise!

A Most Valuable Team

"Ohhhhh, my arthritis!"

The freshmen baseball team, under the direction of coach Malloy, deserves great recognition for a most outstanding and rewarding 78-79 season. With the team members equally contributing their best skills it was difficult to choose a most valuable player. To solve this problem the entire team was elected most valuable for the triumph of attaining a first place rating in conference with a record of 16-0. With everything going for them, the frosh team was named the champs of the D.V.P.L. When asked for his view of the season, Coach Malloy replied "Just a super season. This freshmen class has shown a lot of ability in 78-79."

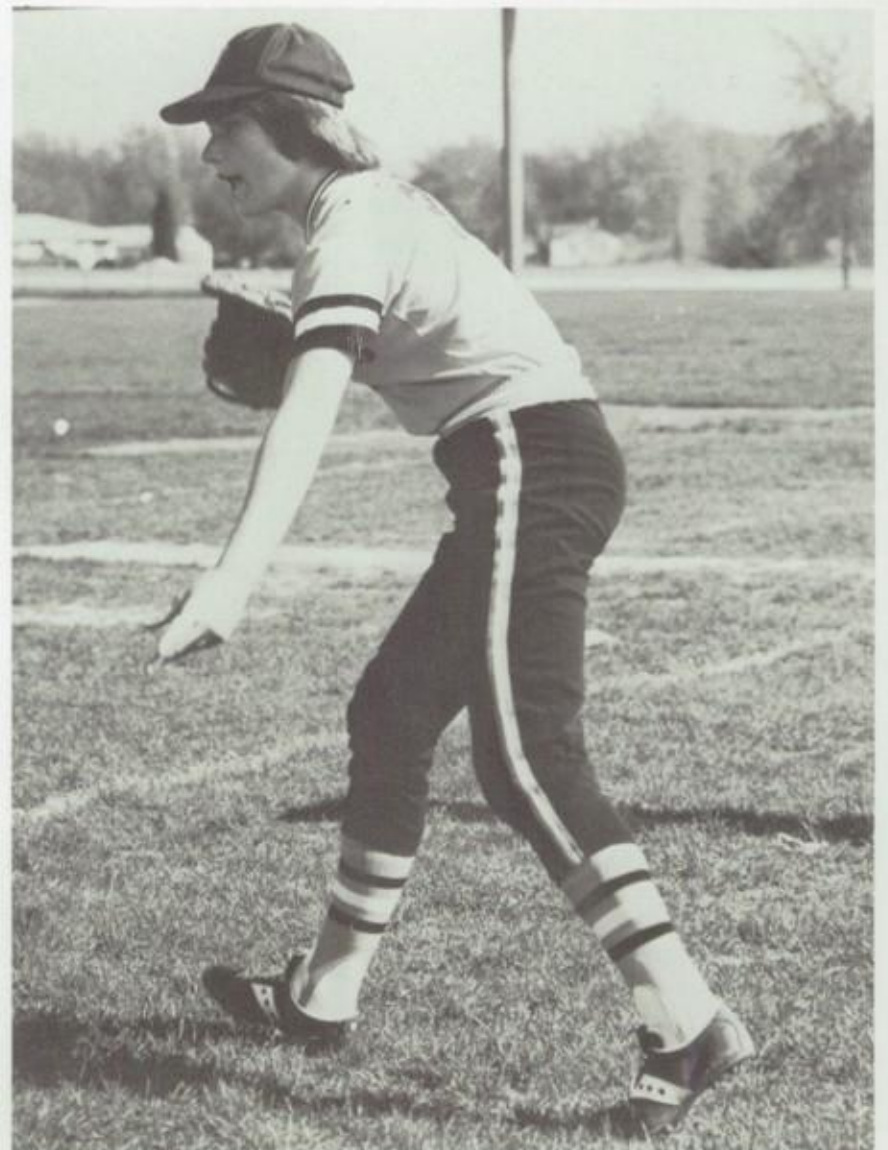

Nobody told Bill Lavery he was supposed to run instead of crawl.

Swinging Softball Season

The Girls' Varsity and Junior Varsity Softball Teams had what could be called a memorable year. Competition-wise, Varsity completed the season with a 7-10 record. It was, as Coach Campbell stated, "a rebuilding season for the young team." J.V. did their best, ending the year with a 1-7 record. For both teams, rain, soggy fields and cancellations were factors affecting the teams' performance. In spite of all this, Sandy Ledvora was chosen Most Valuable Player of J.V. for her ability to play any position and Dawn Hallett was recognized as Most Valuable Player of the Varsity team for her hitting and pitching. Though no major championships were won, Hornet spirit and sportsmanship prevailed at each dry game.

Great Year!

The Varsity Boys' Tennis Team, coached by Mr. Palzer, had a season filled with rewards. They tied for second in conference, beat Downers South, and had Pete Freischlag, Most Valuable Player, qualify for the state tournament. "The team had a very high spirit," stated Palzer. "Everyone supported everyone."

Junior Varsity did an outstanding job as well. Despite the fact that the Freshman team was going against two obstacles, the weather and the loss of three freshman players to the Sophomore team, they achieved a highly successful record of 9-1, and a tie for 1st place in conference. Special recognition should be given to Bruce Kim for being chosen Most Valuable and to Kris Fauske, Most Improved.

Super Track Season

Super fantastic describes the girls 1979 track season. The girls were undefeated in dual meets, fourth in conference and they broke seven school records during the course of the season. "Their spirit was excellent," said Miss Matczak. Laurie Petrus was voted most valuable. Laurie constantly obtained points for the team in hurdles and high jump and also broke a school record in the high jump. Suzy Koenon, a freshman was voted most improved and tied a school record in the mile. The girls look forward to another sensational season next year.

Another close one for the 440'ers.

A well-earned victory for Patty.

Two milers go the distance.

On The Run

"I really enjoyed working with the team," said Mr. Yavorski, coach of Boys' Varsity Track, and it's no wonder why. During the season, the boys won the Rolling Meadows Jamboree, placed 3rd in the Indoor Conference, 4th in the Outdoor Conference and then had the mile relay qualify for the state meet. Senior Mike Riordan was voted most valuable. "He had the most consistent quality performances," said Coach Yavorski. Bill McBain, also a Senior, was voted most improved. The team really ran through their opponents and are looking forward to breaking many more tapes in the coming season.

Young Team Going Strong

The Boys' Freshman and Sophomore Track Team, coached by Mr. Yavorski, had a very successful year. The Freshman team placed first in conference and the Sophomores placed fourth. Mr. Yavorski said, "The team's spirit was outstanding and the only disappointments during the season were injuries." The most valuable player was Jeff McBain who consistently placed in the hurdles. Brian Ward was voted most improved. Brian showed constant improvement in the shot and discus. The young team shows great potential for the upcoming years at South.

"Movies Of The Seventies"

The long awaited, exciting Homecoming week, with the theme of "Movies of the Seventies," kicked off with Black and Gold day. During the week, events such as the banner contest, pep rally and the junior olympics aroused much spirit and enthusiasm. The week ended with the win over Addison Trail and an evening of dance and fun.

The players did an outstanding job with an exceptionally hard play, *West Side Story*. The characters were beautifully played, the costumes were bright and vibrant, and the dancing was exceptionally superb. A lot of hard work went into preparing for this play, but the enjoyment the audience received from it was well worth it.

Runners Stride To The Top

Great potential and sportsmanship were just two of the qualities that led Coach Jackson's Boys Cross Country team and Coach Matczak's Girls Cross Country team to a highly successful season. The boys were guided down the path to victory as they won the Andrew and Niles West Sophomore Invitational Championship and placed second in conference to end the season with a 10-2 record. Doing just as superbly as the boys were the girls who tied for a second place rating and ended the year with an amazing 7-3 record. Both teams showed much spirit and enthusiasm which greatly contributed to their success!

Overall, A Good Year For Football

The Hornet Varsity Football season was nothing less than superb. The team's hard work, high spirits and great sportsmanship paid off in an overall record of 5-4 and a 5-2 record in conference. The team played some pretty exciting football. Of course, one cannot forget the excitement raised when the Hornets and St. Rita clashed helmets. Though our team lost to tough competition, it was an event not to be forgotten. In the award field, Bob Delany was chosen most valuable and for the second year-all conference team member. Pat Maley was named among other things to the all-area and all-state squad. It should also be added that the whole varsity team be recognized for their skill and endeavor evident throughout the year.

Soph Season: Super

The Sophomore football players finished with a record of 6-3. Coach Lohmann said that they had a good season and a lot of fun. The only disappointments were injuries and St. Rita's forfeit. With determination, the Sophomore players look forward to becoming members of the Varsity team.

Promising Pigskin Players

What do you get when you put remarkable spirit and sportsmanship together? Nothing less than South's Freshman Football team. Record-wise, both the "A" and the "B" teams did well ending their seasons respectively 4-5, 6-2. The "B" team had quite a competitive year. The team was physically smaller than their opponents but pulled through a number of victories. The "A" team, with the help of Coach Iantria, worked throughout the season on improving the players' skills. With such hard work and practice, both teams hold a promising future for Hinsdale South.

A freshman experience not to be forgotten.

Victorious V-ballers

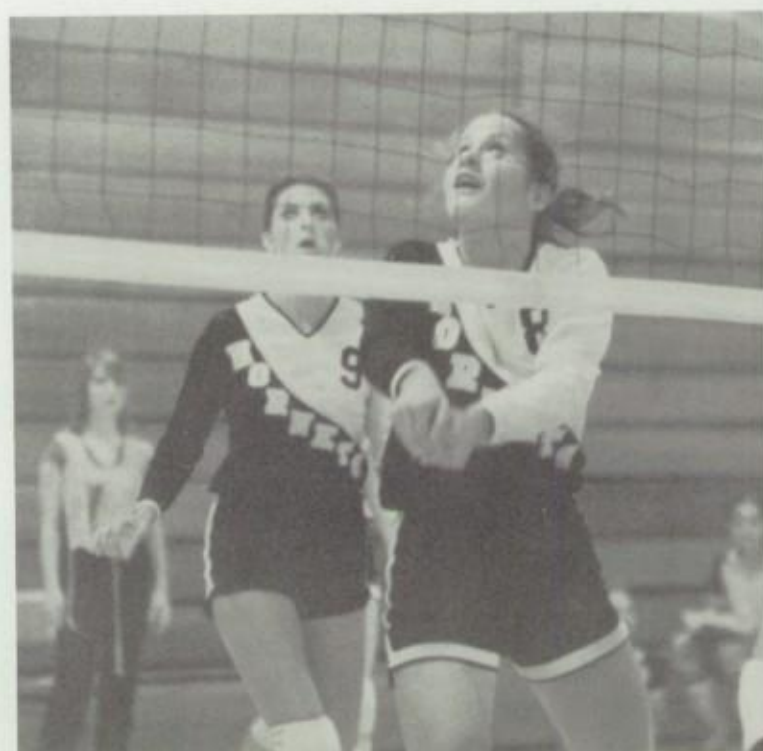

The Hornet Varsity Volleyball players had a successful season filled with hard work and determination. The volleyball team, coached by Miss Kerner, finished with a 12-8 overall record and a 5-2 record in conference which placed them second. "There was a tremendous amount of improvement during the course of the season," said Miss Kerner. The team played as a unified group, and they showed excellent sportsmanship. This season was partially a rebuilding season, and the Hornets look forward to conference championship next year.

The Girls' JV volleyball coach, Miss Iverson, saw much improvement in the J.V. team this year. The girls had a 14-6 record this season. They also placed 3rd in the J.V. Invitational. Captain Lisa Dubin was the only player to play in all 13 games at the Evanston Invitational. The team did well, and Miss Iverson has a positive outlook for next year's team.

The Golf Team, under the direction of Coach Waring, had a most memorable season with a dual record of 7-4. This was a fine year for the Golf Team as they beat Glenbard East and placed second in the Conference dual meet. Contributing greatly to the team's victories was Bob Kagay. Bob was voted most valuable player by his teammates for his lowest stroke average in the meets. Over-all, they showed superb spirit and sportsmanship throughout the season.

Sensational Soccer Season!

To describe the Varsity Hornet Soccer team for the '79 season would take just one word- FANTASTIC! Besides breaking every soccer record in Hornet History, the team took first place in the Devils Soccer Tournament. They placed second in conference and also in the state sectional tournament. *The Chicago Tribune*, *Chicago Sting*, and *Dr. Pepper* recognized the varsity team as the Illinois State Soccer Team of the Week. Leading the team to 16 victories, 2 losses, and 2 ties were Chris Kohl, Jami Parus, and Jere Schutt. It's certain that Coach Foss is looking forward to another super year.

A Kick, A Score And A Whole Lot More

Let's hear it for the Hornet Sophomore and Freshman Soccer Teams. The sophomores completed their season with an 11-1 record. The great coaching of Mr. Madsen led the team to a victorious year. As a result, they shared the conference title with tough opponent, Addison Trail. Jim Pisanik was chosen most valuable. The freshmen finished with an outstanding record of 9-0. Coach DeFalco said, "This is the best record for any level playing soccer. Each game became a memorable event." Special recognition should be given to Srjan Grbic for most valuable offensive player, Scott Rose for most valuable defensive player, and John Borse for most improved. Each team displayed excellent skill and sportsmanship.

Gracious Hornets

"Determined, competitive, yet controlled-gracious in winning and losing," was the girls' attitude stated Mr. Palzer, coach of the Girl's Tennis Team. The team had 2 of the 7 starting players returning this year and they finished with a very commendable record of 5-2 in conference. Dawn Hallett was most valuable. Dawn was a constant winner. The Hornet tennis players look forward to another year of victory.

Swimmers Pull Through Again

Successful dedication is the best way to sum up the Girls' swimming season. As stated by Coach Gros, "This was the hardest working team ever." The girls went through many strenuous morning workouts and also practiced two and one half hours everyday which included forty minutes of weight workouts. With all this preparation it's no wonder why the girls achieved a first place rating in conference and second place rating in districts. All their hard work paid off to a spectacular 12-1 victory.

As Charo would say, "Ole', Ole'."

WINTER

Let us walk in the white snow
 In a soundless space;
 With footsteps quiet and slow,
 At a tranquil pace,
 Under veils of white lace.

Never merry, never mellow
Well-a-day! in rain and snow

"Whenever I Call You Friend"

This year's Turnabout was a heartful of surprises. All the couples were surprised by the well-planned evening, but the big surprise came when the King was crowned. Strangely enough, two kings were named: Steve Ravenscraft and Rian Scheel. Those who attended enjoyed the dance and are looking forward to next year's Turnabout and its surprises.

"Who will be the King (s)?"

Girls Take To The Court

The Varsity Girl's Basketball Team had an enthusiastic and exciting year. They were met with tough competition but pulled through with an overall victorious season. With the assistance of Coach Karnstedt, the Hornets came in second place, both in the Hersey Christmas and Joliet W. Tournament. Captain Dawn Hallet was the high scorer of team and added the spirit and vigor that made this year Varsity Girls' Basketball an exciting event.

"Give me THAT BALL!"

C'mon, you can do it!

Well, it's time for a family conference!

"That's okay, I got it!"

"Anybody out there?"

More Than Dribbling

Besides taking the ball down, skill development and team spirit were emphasized by the J. V. Girls' Basketball team. They had a quite competitive year and gained experience from such tough opponents as Downers South and Willowbrook. Some of the leading members of the team were Jill Eminger and Julie Murray. The team, coached by Miss Holloway, took a number of victories, like a 2nd place at the Glenbrook North J. V. Invitational, and are hopefuls for next year's Varsity team.

A Future Force

With eagerness and ability, the 79-80 Varsity Boys' Basketball team needs only experience to become a force to be faced next year in the DPVL. This year's team featured no seniors in the starting rotation, so the possibility of a DPVL placement seems very likely in the coming year. Along with Coach Birkett and Coach Kampa, the Varsity team had one unforgettable game. They upset the perennial power, East Leyden, which ended a drought of 13 years of losses. Many players will be returning next year and provide the ingredients necessary for a winning and exciting basketball season.

Winning Becomes Addictive

Having a winning streak is one characteristic that this year's Sophomore Boys' Basketball team was known for. Their overall record was outstanding and Coach Schroeder aided in the development of the team. Team spirit and enthusiasm were unusually high. As a result, the team has raised hopes for a successful Varsity season for 80-81.

Fresh On The Ball

The determination to "go, fight, win" seemed to be the attitude of South's Freshmen A and B Basketball team sponsored by Wayne Layer and Tom Malloy. Although both teams started out slow because of inexperienced team members, they, as a unit, progressed very well and have "come together as a unit." This feeling of unity clearly paid off as both the A and B teams played spectacular games throughout the basketball season.

"A good year" could describe the Girls' Gymnastics Team. With Coach Kordewick and Coach Lichter, the team practiced hard. The work paid off in winnings and both the girls and coaches anticipate next season to be just as worthy.

Swimmers Make Waves

Varsity swimmers take to the pool as fish do to water. This year's team, with the coaching of Mr. Burton, had a very competitive and successful season. Their conference dual record stood at 5-0 and they placed well in many invitationals including a 1st place at the Naperville Invitational. All the swimmers, including leading fish: John Barnes, Craig Balle, and Dave Kriebel contributed their share to putting South's name on the swim charts. Again this year, the Hornet swim team maintained its title as one of the strongest Illinois teams.

Testing The Water

Getting their fins in the water and feeling the air of competition was the main objective of the Frosh-Soph Boys' Swimming Team. The team, under the direction of Coach Burton and Assistant Townsend, strived toward defining and refining the basic strokes and relays in preparation for the coming Varsity year. Many of the swimmers appeared as strong hopefuls in becoming Varsity fish and maintaining South's super swimming record.

Varsity Takes To The Mat

The 79-80 year for the Varsity Wrestling team was one year filled with challenges, excitement, and victories. The team concluded their season with a 10-10 record. Along with Coach Swinford and Captain Jerry Pytel, the matmen performed well against opposing schools. On an individual basis, Junior Steve Hartz had the best record of 22-1. Though the Varsity Wrestling team will lose a few due to graduation, their absences will be filled by the many skilled and talented Juniors and Sophomores.

Two-Two-Two Teams In One

"Changes for the better" should be the motto of South's 1979-80 J.V. Wrestling Team. Why? The answer, quite simply, is that now there are two J.V. teams. Both teams did exceptionally well and had winning records. Amazingly, a majority of the wrestlers had also posted individual winning records.

Fantastic Freshmen

What words can possibly describe the Freshmen Wrestling team's record of 12-1? With the determination of the team and Coach Stellwagon, many victories were achieved. The team, as a whole, took a number of championships such as the L.T.H.S. Tournament. For the year, some leading matmen were Jim Denning, Pat Kohl, and Bob Schwerdle. Freshmen matmen hold the future to a promising Wrestling team.

The Wrestlers' Girls

Again this year, Wrestlettes did their thing which was to provide the pep and spirit at the meets. The Wrestlerettes dutifully attended the various meets and cheered the matmen on to victory. Their attentiveness and loyalty to the wrestling season was a great inspiration to all.

A Striking Year

Group pride and an infinite amount of strength = Hinsdale South's Girls' Varsity and Jr. Varsity Bowling Teams. Sponsored by Coach Puck, both teams spent their after school hours practicing and preparing for competitive meets. As a result of this preparation, the Varsity Team achieved the desired record of 8-6 and the J. V. team 10-4.

The 79-80 Indoor Track team was more than just a hop, skip, and jump of a team. The team, whose season began in February, did well against opposing schools and had many outstanding players such as Joe Schuch, Bob Southworth, and Rian Scheel, who carried the team to victory. Mr. Yavorski was responsible for the worthy coaching and anticipates an even greater season next year.

Activity-Filled Students

At Hinsdale South, there is one organization that concerns itself with the world. This is none other than the local chapter of the American Field Service. Under the guidance of Mrs. Cray and Mrs. Karnstedt, the club busied themselves with a variety of activities. Throughout the year, they partook in such activities as a roller skating party, pizza-swim party, horseback riding, and a treasure hunt. The club had fund-raisers like their annual Produce and Candy Sale which provided the money to have a foreign exchange program. Last summer Mary Therese Kerrigan (president) travelled to Peru, and this year's candidates, JoAnn Makes and Margie Budney, hope to enjoy a worthwhile summer experience. Hinsdale South received Itte VanSteenland, a student from Belgium, and the gap between the peoples of the world has been lessened.

Ein Wunderbar Jahr!

The 1979-1980 year was a great year for the German Club. With Frau Roubort as sponsor and the president Jim Mikowski, the club was able to get involved in a variety of activities. Some of these activities were the participation in the Homecoming Parade, the yearly Oktoberfest trip, and an overnight trip to a Swiss Village, New Glarus. German Club also held an Advent Calendar Sale which added to the German Christmas Season.

A Roman Of A Year

"When in Rome, do as the Romans do," but when in the Latin Club, do as their sponsor Mr. Tripp does: have fun. This year's club, with Tony DeLorenzo as president, kept active with a variety of activities such as the pizza-swim party, a Christmas party at Bartolomeo's and a spring baseball game. With a significant increase in membership from last year, the Latin Club has hopeful prospects for another fun-filled year.

Ole To An Active Year

Though South's Spanish Club did not take trips to Mexico or South America, it compromised with a variety of other activities. Under the help of Ms. Colins, the Spanish Club attended such activities as a Mexican potluck dinner, a trip to Water Tower Place and the Meson del Lago Restaurant. The club, under the rule of Margie Budney, also held the Splash and Pizza Party for this year's AFS Weekend. Trips around the world they didn't take, but still this Spanish Club had quite a busy year.

Tooting Their Horns

Contrary to popular belief, band is not just practicing an instrument. With the approach of fall came the Marching Band entertaining both young and old. The girls of the Flagline accompanied the marchers, making the performances even more spectacular. Throughout the year, the various bands staged concerts. As always, the different bands received both honors and awards for their great skill in the music field. The bands also had fund-raisers to help pay for expenses such as the Band Trip. All in all, the school should be proud of such a talented organization.

Versatile Vocalists

Mr. Stauffenberg kept his standards high when it came to the development of his versatile vocalists. They entertained the school and friends by giving various concerts. A Feast Fit For A King

Wassail. Roast Beef. Figgy Pudding. These were just some of the sumptuous delicacies served at this year's Madrigal Dinner. This Renaissance feast was held in December, and people on both sides of the banquet table enjoyed themselves. The best of Hinsdale South singers provided musical entertainment without the conducting of Mr. Stauffenburg. Completely on their own, the singers gave an excellent performance and added an old English touch to this Christmas-time feast.

A Title & Much More

The hard work and long hours Hinsdale South drama students endure to produce the many plays and dramas are recognized by a national organization called International Thespian Society. Here at South, members of this organization are commonly known as Thespians and rightly deserve to be called so. Thespian candidates earn points by doing various tasks related to the school productions. This spring, as in the past, an initiation ceremony was held for new members. Thespians at South are really an extension of the Drama Club but have the honorary title, Thespian, showing their dedication to the performing arts.

A Dramatic Group

The Drama Club with the help of sponsor, Mr. Doherty, proved to have an active year. Along with president Angela Stramaglia, the club kept very busy. They went to see theatre shows such as *The Elephant Man* and again participated in the annual Illinois Theatre Festival. Besides all this, the Drama Club helped put on this year's plays *West Side Story* and *The Miracle Worker*. As one member put it, "Drama Club is great and everyone should join cuz you don't know what you're missing!"

Not A Speechless Group

Speech Team entered its second year again claiming victory for the members. Through its season, the Speech Team, headed by Mr. Doherty, competed against other area high schools. Many members took first, second, and third ratings which showed the many intelligent minds that South possesses.

New(s) Experience For Bumblebee 'ers

A buzzy and fun year was enjoyed by this year's *Bumblebee*. The newspaper, produced by the students of the Deaf department, gave its members a taste of the newspaper business. The staff was exposed to the common newspaper situations of writing articles, designing formats, and meeting deadlines. They met every other week to discuss ideas for future issues with the help of Mrs. Grimm and Kathy O'Connor. To further their newspaper experience, the *Bumblebee* staff took a spring field trip to the *Chicago Sun-Times* and observed how an actual paper works.

A Very Dramatic Group

When it comes to acting talent, the one club not be excluded is the Deaf Drama Club of Hinsdale South. This organization, which is in its 4th year, gave this year's members a vivid taste of the performing arts. They practiced throughout the year on Thursday afternoons under the direction of Ms. Merkovitz. The president for this year was Jonalee Reboletti. Their hard work and long hours paid off in the form of winter and spring programs.

Proud And Willing

A year filled with pride and leadership is the best way to sum up Jr. I.A.D. With Ms. Siegel as sponsor and Kathi Hatstat as president, there's no wonder why Jr. I.A.D. had such an enjoyable year. Some of their contributions included a visit to a Southside Children's Club for the Deaf in which they brought toys for Christmas and a drive for muscular Dystrophy and UNICEF. Overall, the club had a fulfilling year which greatly contributed to their group pride.

During the past year there has been an organization that literally is all *wet*. This is none other than Guard. Under the sponsorship of Mr. Wheelock, the Guard undertook the tasks of timing, announcing, and recording statistics for the girls' and boys' swim meets. Besides these jobs the Guard also sponsored a winter and summer swimming program for the children of the community. With this program, Guard gave the incentive for swimming, giving Hinsdale South future hopefuls for the Swim Team and Guard.

"We Care" And Prove It

The Key Club is an organization whose motto is "We Care" and continue to prove it. This service-oriented group participated in many activities. These included the monthly Produce Sale co-sponsored with the AFS, the distribution of food to the needy of the community, and monetary contributions to such organizations as the Spastic Paralysis Foundation. With the help of Mr. Fox, the club sponsor, and the club officers, President Tom Pachl, V-P Jim Tikalsky, and Sec/Treas. Annette Otto, the Key Club was able to perform some worthwhile and beneficial services.

Homecoming Helpers

Hard work, determination, and fun went along with planning this year's Homecoming activities. "Movies of the Seventies" was the theme. The week kicked off with Black and Gold Day, Junior Olympics, banner contest, queen election and crowning, and the pep rally. Spirit week ended with the annual parade, alumni lunch, football game, and finally the dance. All these activities helped to make this Homecoming exciting and fun.

They raised money for UNICEF at Halloween, were ushers for Parent's Open House, collected toys for tots, and sang Christmas carols at a nursing home during the holiday season. Their big project for the year was a Charity Fashion Show. The President was Gayle Catinella.

Vol. 15, No. 4

Hinsdale South High School

December 21, 1979

Creative and dedicated work was evident in this year's publications of the *Stinger*. The Hinsdale South bi-weekly newspaper gave this year's students more informative and entertaining views of school. With Miss Waite as the advisor, the thirty member staff produced some interesting pieces of work and accomplished its goal of keeping the students informed about the school's "goings-on." Jane Kang was Editor-in-chief, and did a remarkable job as well as the other members of the staff.

Very Earnest Staff Publishes Annual

What words can possibly describe the devoted group of students who toiled throughout the year to bring Hinsdale South this year's VESPA '80. Under the sponsorship of Miss Meyers and Mrs. Daniels, the twenty member staff worked hard 7th hour and many times after school to write copy, layout pages, crop pictures, write captions, sell ads, and meet deadlines. This all-out effort by the group, especially with the editors, Mary Therese Kerrigan and Anna Dzianott, produced a book filled with the many wonderful memories of Hinsdale South and its students.

Mr. Hubbartt: An Impressive Dean

To leave a good impression upon Hinsdale South is a worthwhile endeavor. And a man to undertake such a task is Mr. John Hubbartt. Since South opened in 1965, Mr. Hubbartt has faithfully aided in educating Hinsdale South students. Years ago, he taught math and shop but has been more closely associated as the Dean of Boys. His 14 years as a teacher and dean will be well-remembered, and the impression he left will live on inside the walls of Hinsdale south.

H.A.P.P.Y. South

The Hinsdale Advisement Program for Preparing Youth has successfully completed its second year at Hinsdale South. This year, minor difficulties were eliminated from the program through the combined efforts of Mr. Wheelock, Dr. Dalpiaz, and all of the faculty. The program has three main objectives. Firstly, the program endeavors to expose the student to the school facilities. It also provides the student with advice concerning course choices, plans, and career goals and opportunities. Thirdly, the advisement program strives to make the student feel that there is some school personnel to whom he can turn with problems. All of these objectives were accomplished again this year. As a result, the students of Hinsdale South were able to appreciate the school and its activities and establish a HAPPY South!

Sometimes even advisors need advice.
